PRESS STATEMENT

AIUTUC condemns the arbitrary detention of its Delhi State Secretary, Manager Chaurasia by Delhi police

From the early morning today, Shri Manager Chaurasia, Secretary, AIUTUC, Delhi has been placed under detention in his house at Burari to prevent him from organizing the workers' assembly today at Shaheed Park, near ITO in solidarity with the country-wide farmers movement. The peaceful solidarity meeting is being held today under the auspices of the 'Delhi for Farmers' comprising several trade unions, students, youth and women organisations of Delhi. The protest which is being attended by the prominent citizens of Delhi from different walks of life, is to coincide with the Chakka Jam call by the All India Kisan Sanyukta Morcha.

The AIUTUC condemns the fascistic measures adopted by the Central Govt. and its subservient Delhi Police to disrupt the solidarity gathering and thus muzzle the democratic voice of the people.
